In response to the Office Action mailed September 27, 2000 finally rejecting all claims, a
“Continued Prosecution Application” is being concurrently filed herewith and prior to
examination on the merits, please replace the above-identified application, as follows.

IN THE CLAIMS:

1. A method for electronic commerce, comprising:
forming a four party payment protocol for electronic sales including a consumer's computer
coupled to a merchant's computer and to an issuing bank computer via an issuer gateway, the
merchant computer being further coupled to an acquiring bank computer;

sending from a merchant's computer over an internet network to a consumer's computer,
a merchant message including a wallet initiation message, a merchant digital signature, and a
digital certificate from an acquiring bank, said wallet initiation message including a payment
amount, an order description, and a timestamp;
